

Bay of Fires - Beach Homes

**Location** Binalong Bay  
**Type** Resort Residential  
**Size** 15 Dwellings  
**Year** 2004  
**Status** DA Approved

By using an integrated design approach for these beach homes it has been possible to create an attractive, safe, community orientated, livable environment. It is focused on deriving these values from its premium location as part of Bay of Fires Character Cottages and overlooking the superb coastal environment. A central open green space is a place for residents to meet and which helps promote a sense of community.
